

Vendor Partners

MMS – A Medical Supply Company is proud to partner with some of the leading healthcare suppliers. These suppliers have committed to work closely with MMS to assure that our mutual Customers always receive the highest possible quality products and services at the best possible price. Further, all of these Partners are, along with MMS, committed to make sure each of our Customers and their Staffs have the knowledge and training to use these products to achieve optimal outcomes.

While MMS distributes products from virtually every supplier to the healthcare market, our relationship with the following allows us to offer you their products at the best market pricing.
