

MMS Hospital Division

Previously Caligor Hospital Division, and headquartered in New Rochelle, New York, has a history in the New York, New Jersey and Connecticut markets going back over thirty years. As healthcare has evolved, this business has remained focused on the unique needs of some of the largest and most prestigious acute facilities in the world. The MMS acute team has developed the Customer relationships (partnerships) that only result from years of intimacy and a track record of dedication, innovation, reliability and service. The Sales and Management team averages more than twenty years each in acute care distribution. As "A Regional Distributor with a National Presence", MMS offers the capabilities of the largest competitors, with the "hands-on", expert service none of them can equal. Plus, our 200,000 sq. ft. state-of-the-art distribution facility is located in nearby Secaucus, New Jersey, only 7 miles from the George Washington Bridge.
