

## Primary Care/Ambulatory Surgery

Multi-Specialty Practices&hellip; Ambulatory Surgery Centers&hellip;. Day-Op Centers&hellip;&hellip; Urgi Care Centers&hellip;. Office Practices&hellip; In-office Sterile Procedures&hellip;&hellip;

### 4 reasons to simplify your purchasing with MMS

- Order from in-stock inventory of 10,000+ items from all leading medical manufacturers; one stop shopping
- &ldquo;Shop&rdquo; easy with MMS&rsquo;s Proprietary OnLine&trade; ordering system:
- Immediate prices & availability
- Fast re-ordering from personalized shopping basket or &ldquo;history&rdquo; screen
- Delivery within 24 hours
- Accurate records for inventory tracking, payables and budgeting
- Supply Chain management: Utilization reports on demand (and by cost centers!)
- Fast delivery from nearby Secaucus, NJ

### Price

MMS offers you the most competitive pricing available. Our negotiating clout comes from being one of the largest distributors into Acute Care facilities in the Greater New York area for the past thirty years.

### Service

In addition to the ease of OnLine ordering, MMS is staffed with a team of experienced Customer Support Representatives ready, willing and able to help you find anything you need. Each of MMS&rsquo;s CSRs is committed to making your product selection, ordering and inventory management easier.

### Expertise

The dedicated MMS team offers MMS&rsquo;s Customers proven &ldquo;real world&rdquo; solutions to product and supply chain issues specific to ASCs and group practices. In addition, MMS also offers an expert Equipment team to assist in the selection, purchase and installation of capital and diagnostic equipment.

### Experience

New York/New Jersey area, MMS has a track record of stocking and delivering the products needed to optimal Patient care.
